“Be Certain, Be Confident with Certainty DayPants”

Charity run highlights the ease with which incontinence can be managed, enabling users to lead a healthy and fulfilling lifestyle

Kuala Lumpur, 28th March 2015 – Hundreds of fundraising runners gathered at the Kepong Metropolitan Park on Saturday early morning to rally their support for the first ever “Run with Certainty” organized by Disposable Soft Goods (M) Sdn Bhd to raise awareness on the topic of incontinence.

People who have incontinence may experience accidental or involuntary loss of urine or excrement in their daily lives. The message that Certainty DayPants wants to send out is that life does not need to stop there. Incontinence is a condition that can be managed, easily and conveniently, and Certainty Daypants is there to help.

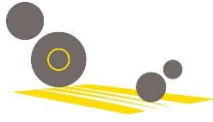

The charity run saw runners young and old take to the course with the choice of a 6km circuit or the shorter 3km circuit surrounding the park. The Run with Certainty also serves to highlight that Malaysians with this condition are not alone and do not need to go through life silently - through hundreds of runners showing that the spirit of care and support is strong within the community, whilst also giving them the chance to use their legs for a good cause!

Present at the event, Yang Berhormat Senator Datin Paduka Chew Mei Fun, Deputy Minister of Women, Family and Community Development said, “It is very heartening to see the community of runners come together in the spirit of Malaysia Boleh to highlight this little discussed and often overlooked subject of incontinence. I believe the run is a great way to get families and communities together to get fit and healthy while at the same time raising awareness on incontinence.”

“To all fellow Malaysians, thank you for coming together to run with confidence, lending your support in Certainty’s quest to raise awareness of incontinence. It is a growing inconvenience as our society matures and becomes rapidly urbanized, but incontinence should not be a life-stopper or restrictor given that there is support such as Certainty DayPants, which is developed with thin, high performance materials for ultimate comfort of wear,” said Miss Low Chooi Hoon, General Manager of DSG Malaysia and Singapore.

All money raised from the event will go towards Persatuan Kebajikan Ci Hang, Chempaka, Selangor, Rumah Caring Kajang, Sungei Way Old Folks Home and Lovely Nursing Centre, SS3, KL, dedicated to supporting sufferers of light to medium incontinence.

The run ended at 11am with all participants in a jovial mood. All runners received a specially designed medal, as well as goodies from sponsors including Revive, Mentholatum (Deep Heating Rub), Julie’s, Health Today Magazine, OldTown White Coffee and Clinelle.
